

AIR BLOW GUN SILVENT 2050-X+

Item number: 20000169760, 20000269760

2050-X+ is equipped with an extra powerful multi-Laval air nozzle that generates a blowing force that is 90% stronger compared to a regular 2050-X while also minimizing the sound level.

Perfect for demanding applications

Equipped with an extension pipe, these air blow guns are ideal for applications that are hard-to-reach or hazardous for the operator. A properly dimensioned extension pipe protects the face from dangerous flying debris and spattering, and allows the user to maintain a more ergonomically correct working posture.

Softgrip handle

These safety air blow guns can be equipped with softgrip handles that are easy on the hand and insulate against both heat and cold.

Practical design

The 2000 grip is made of aluminum and is highly versatile, lightweight and user-friendly. It has a modern and practical design that can be fitted with various types of safety nozzles, extension pipes, safety accessories, etc.
