

AIR BLOW GUN

SILVENT 2055-A-SG

Item number: 20550169192, 20550269192

SILVENT 2055-A-SG is a air blow gun that is equipped with a softgrip handle for greater comfort. The air blow gun has an aerodynamic aluminum nozzle that provides a blowing force equivalent to 5 conventional compressed air blow guns. Despite the high blowing force, the sound level is comparable to that of a conventional air blow gun. The 2055-A is a powerful but flexible air blow gun that is ideal for applications that require a high blowing force.

Perfect for demanding applications

Equipped with an extension pipe, these air blow guns are ideal for applications that are hard-to-reach or hazardous for the operator. A properly dimensioned extension pipe protects the face from dangerous flying debris and spattering, and allows the user to maintain a more ergonomically correct working posture.

Softgrip handle

These safety air blow guns can be equipped with softgrip handles that are easy on the hand and insulate against both heat and cold.

Practical design

The 2000 grip is made of aluminum and is highly versatile, lightweight and user-friendly. It has a modern and practical design that can be fitted with various types of safety nozzles, extension pipes, safety accessories, etc.
